**Bonus Sale ends February 13, 2023**

| Liquid Carrier oil                                | Botanical Name                     | Extraction Method & Plants parts                        | Country of origin | 16 oz (1 LB) Price Retail (\$CAD) | 16 oz (1 LB) with 20% off retail |
|---|------------------------------------|---|-------------------|-----------------------------------|----------------------------------|
| Almond Sweet Super (Conventional)                 | <i>Prunus dulcis</i>               | Cold pressed/kernels, refined                           | India             | 28.60                             | 22.88                            |
| Apricot Kernel (Conventional)                     | <i>Prunus armeniaca</i>            | Cold pressed unrefined                                  | Spain             | 26.65                             | 21.32                            |
| Argan (Conventional)                              | <i>Madhuca longifolia Macbride</i> | Cold pressed unrefined                                  | Morocco           | 36.40                             | 29.12                            |
| Avocado (Conventional)                            | <i>Persea amaericana</i>           | Cold Pressed, refined                                   | Mexico            | 28.60                             | 22.88                            |
| Broccoli Seed (Conventional)                      | <i>Brassica oleracea</i>           | Cold Pressed refined                                    | USA               | 110.50                            | 88.4                             |
| Burdock Root PHYTO-Bio™ (Macerated/Infused)       | <i>Arctium minus</i>               | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 75.40                             | 60.32                            |
| Calendula PHYTO-Bio™ (Macerated/Infused)          | <i>Calendula officinalis</i>       | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 62.40                             | 49.92                            |
| Carrot Tissue PHYTO-Bio™ (Macerated/Infused)      | <i>Daucus carota</i>               | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 59.80                             | 47.84                            |
| Castor (Conventional)                             | <i>Ricinus communis</i>            | Cold Pressed, refined                                   | India             | 31.20                             | 24.96                            |
| Chamomile German PHYTO-Bio™ (Macerated/Infused)   | <i>Matricaria Chamomile</i>        | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 72.80                             | 58.24                            |
| Chaparral leaf PHYTO-Bio™ (Macerated/Infused)     | <i>Larrea tridentata</i>           | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 127.40                            | 101.92                           |
| Cinnamon PHYTO-Bio™ (Macerated/Infused)           | <i>Cinnamomum verum</i>            | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 88.40                             | 70.72                            |
| Clove Bud PHYTO-Bio™ (Macerated/Infused)          | <i>Syzygium aromaticum</i>         | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 88.40                             | 70.72                            |
| Coriander Seed PHYTO-Bio™ (Macerated/Infused)     | <i>Coriandrum Sativum</i>          | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 62.40                             | 49.92                            |
| Corn (Conventional)                               | <i>Zea mays Linnaeus</i>           | Expressed refined                                       | USA               | 28.60                             | 22.88                            |
| Cornflower PHYTO-Bio™ (Macerated/Infused)         | <i>Centaurea cyanus</i>            | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 59.80                             | 47.84                            |
| Dandeline Root PHYTO-Bio™ (Macerated/Infused)     | <i>Taraxacum officinale</i>        | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 75.40                             | 60.32                            |
| Dill Plant & Seed PHYTO-Bio™ (Macerated/Infused)  | <i>Anethum graveolens</i>          | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 59.80                             | 47.84                            |
| Echinacea Plant PHYTO-Bio™ (Macerated/Infused)    | <i>Echinacea purpurea</i>          | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 111.80                            | 89.44                            |
| Elderberries PHYTO-Bio™ (Macerated/Infused)       | <i>Sambucus nigra</i>              | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 106.60                            | 85.28                            |
| Grape Seed (Conventional)                         | <i>Vitis vinifera</i>              | Expressed, refined                                      | Spain             | 31.20                             | 24.96                            |
| Hibiscus Flowers PHYTO-Bio™ (Macerated/Infused)   | <i>Hibiscus Rosa Sinensis</i>      | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 75.40                             | 60.32                            |
| Hops Flowers PHYTO-Bio™ (Macerated/Infused)       | <i>Humulus lupulus</i>             | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 115.70                            | 92.56                            |
| Jajoba Gold (Conventional)                        | <i>Simmondsia chinensis</i>        | Expression/kernels, unrefined                           | Asia              | 31.20                             | 24.96                            |
| Lavender Petals PHYTO-Bio™ (Macerated/Infused)    | <i>Lavandula officinalis</i>       | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 62.40                             | 49.92                            |
| Lemon Peel PHYTO-Bio™ (Macerated/Infused)         | <i>Citrus limon</i>                | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 54.60                             | 43.68                            |
| Macadamia Nut, Cosmetic Grade (Conventional)      | <i>Macadami integrifolia</i>       | Expeller Pressed, refined                               | Australia         | 33.80                             | 27.04                            |
| Mandarin PHYTO-Bio™ (Macerated/Infused)           | <i>Citrus reticulata</i>           | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 54.60                             | 43.68                            |
| Marjoram PHYTO-Bio™ (Macerated/Infused)           | <i>Origanum majorana</i>           | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 80.60                             | 64.48                            |
| Neem (Conventional)                               | <i>Azadirachta indica</i>          | Cold Pressed, unrefined                                 | India             | 23.40                             | 18.72                            |
| Nettle PHYTO-Bio™ (Macerated/Infused)             | <i>Urtica dioica</i>               | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 62.40                             | 49.92                            |
| Olive Virgin (Conventional)                       | <i>Olea europaea</i>               | Expeller Pressed, unrefined                             | Spain             | 33.80                             | 27.04                            |
| Orange Peel PHYTO-Bio™ (Macerated/Infused)        | <i>Citrus x sinensis</i>           | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 72.80                             | 58.24                            |
| Oregano PHYTO-Bio™ (Macerated/Infused)            | <i>Origanum vulgare</i>            | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 72.80                             | 58.24                            |
| Parsley PHYTO-Bio™ (Macerated/Infused)            | <i>Petroselinum crispum</i>        | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 59.80                             | 47.84                            |
| Pau D'arco PHYTO-Bio™ (Macerated/Infused)         | <i>Handroanthus impetiginosus</i>  | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 127.40                            | 101.92                           |
| Pumpkin seed (Conventional)                       | <i>Cucurbita pepo</i>              | Cold Pressed, unrefined                                 | India             | 46.80                             | 37.44                            |
| Rice Bran (Conventional)                          | <i>Oryza sativa</i>                | Expeller Pressed, unrefined                             | USA               | 44.20                             | 35.36                            |
| Rose Damask Petals PHYTO-Bio™ (Macerated/Infused) | <i>Rosa damascena</i>              | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 111.80                            | 89.44                            |
| Safflower, Balanced (Conventional)                | <i>Carthamus tinctorius</i>        | Expeller Pressed, refined                               | USA               | 33.80                             | 27.04                            |
| Sage Plant PHYTO-Bio™ (Macerated/Infused)         | <i>Salvia officinalis</i>          | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 67.60                             | 54.08                            |
| Seasame Seed (Conventional)                       | <i>Sesamum indicum</i>             | Expressed/seeds, unrefined                              | Mexico            | 36.40                             | 29.12                            |
| Slippery Elm Bark PHYTO-Bio™ (Macerated/Infused)  | <i>Ulmus rubra Muhl</i>            | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 111.80                            | 89.44                            |
| Spinach PHYTO-Bio™ (Macerated/Infused)            | <i>Spinacia oleracea</i>           | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 62.40                             | 49.92                            |
| Sunflower Seed Balanced (Conventional)            | <i>Helianthus annuus</i>           | Expeller Pressed, Refined                               | Belgium           | 36.40                             | 29.12                            |
| Thyme Plant PHYTO-Bio™ (Macerated/Infused)        | <i>Thymus vulgaris</i>             | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 80.60                             | 64.48                            |
| Turkey Red (Castor sulfated)                      | <i>Ricinus communis</i>            | Expeller pressed  | USA               | 54.60                             | 43.68                            |
| Turmeric Root PHYTO-Bio™ (Macerated/Infused)      | <i>Curcuma longa</i>               | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 62.40                             | 49.92                            |
| Valerian Root PHYTO-Bio™ (Macerated/Infused)      | <i>Valeriana officinalis</i>       | Low Temperature Triple Infusion & Molecular Percolation | Canada            | 111.80                            | 89.44                            |
| Wheatgerm (Conventional)                          | <i>Triticum vulgare</i>            | Expeller Pressed, Refined                               | USA               | 62.40                             | 49.92                            |
